| Stationary Concrete Plant | bs |
| Mobile Concrete Plant | bm |
| Ammann Control System | cp |
| Components | cm |
| Product overviews | po |
| No product / Others | aa |

4. Description

- Free definable
- Only numbers or letters (no spaces or special characters)
- max. 24 figures!
- Hyphen instead of spaces

| Machine lettering | ID | Description example |
|---------------------------|-----|---------------------|
| Articulated Tandem Roller | AV | AV110X |
| Tandem Roller | AV | AV85-2 |
| Soil Compactor | ASC | ASC70 |
| Pneumatic Tyred Roller | AP | AP240 |

| Engine lettering | ID | Description example |
|-----------------------|------|---------------------|
| Briggs - Stratton | BS | VW3404BS |
| Cummins Tier 1 | CU1 | ASC100CU1 |
| Cummins Tier 2 | CU2 | AV85-2CU2 |
| Cummins Tier 3 | CU3 | ASC70CU3 |

| P14 for Replacement rele box | Rb | AP240RbCU2 |
| P14 for Replacement of steering pivots | Rs | AV85/95-2RsCU3 |
| P14 for Replacement of quick-acting couplings | Rq | AV85/95-2RqCU2 |

5. Version / Serial number

- Only numbers or letters (no spaces or special characters)
- For version lettering max.15 figures! (P06 - P14 besides P07, P09)
- For serial number lettering max.15 figures! (P07 and P09)
- Hyphen instead of spaces

| Version lettering | Description example |
|----------------------------|---------------------|
| New version of publication | 2802010-XXXXXXX |
| Old version of publication | 2802001-2802010 |

| Serial number lettering | Description example |
|----------------------------|---------------------|
| New version of publication | 2802010-XXXXXXX |
| Old version of publication | 2802001-2802010 |

6. Date of publication

- Only numbers (no spaces or special characters)
- max.6 figures!

| Date lettering | Description example |
|--------------------|---------------------|
| Year / Month / Day | 100201 |

7. Language (Documents)

- EN ISO 3166-1:2006
Codes for the representation of names of countries and their subdivisions - Part 1 : Coutry codes
- ISO 639-1:2002
Codes for the representation of names of languages - Part1: Alpha-2 code
- Only letters (no spaces or special characters)
- max. 2 figures!
