

Project number: N1710809

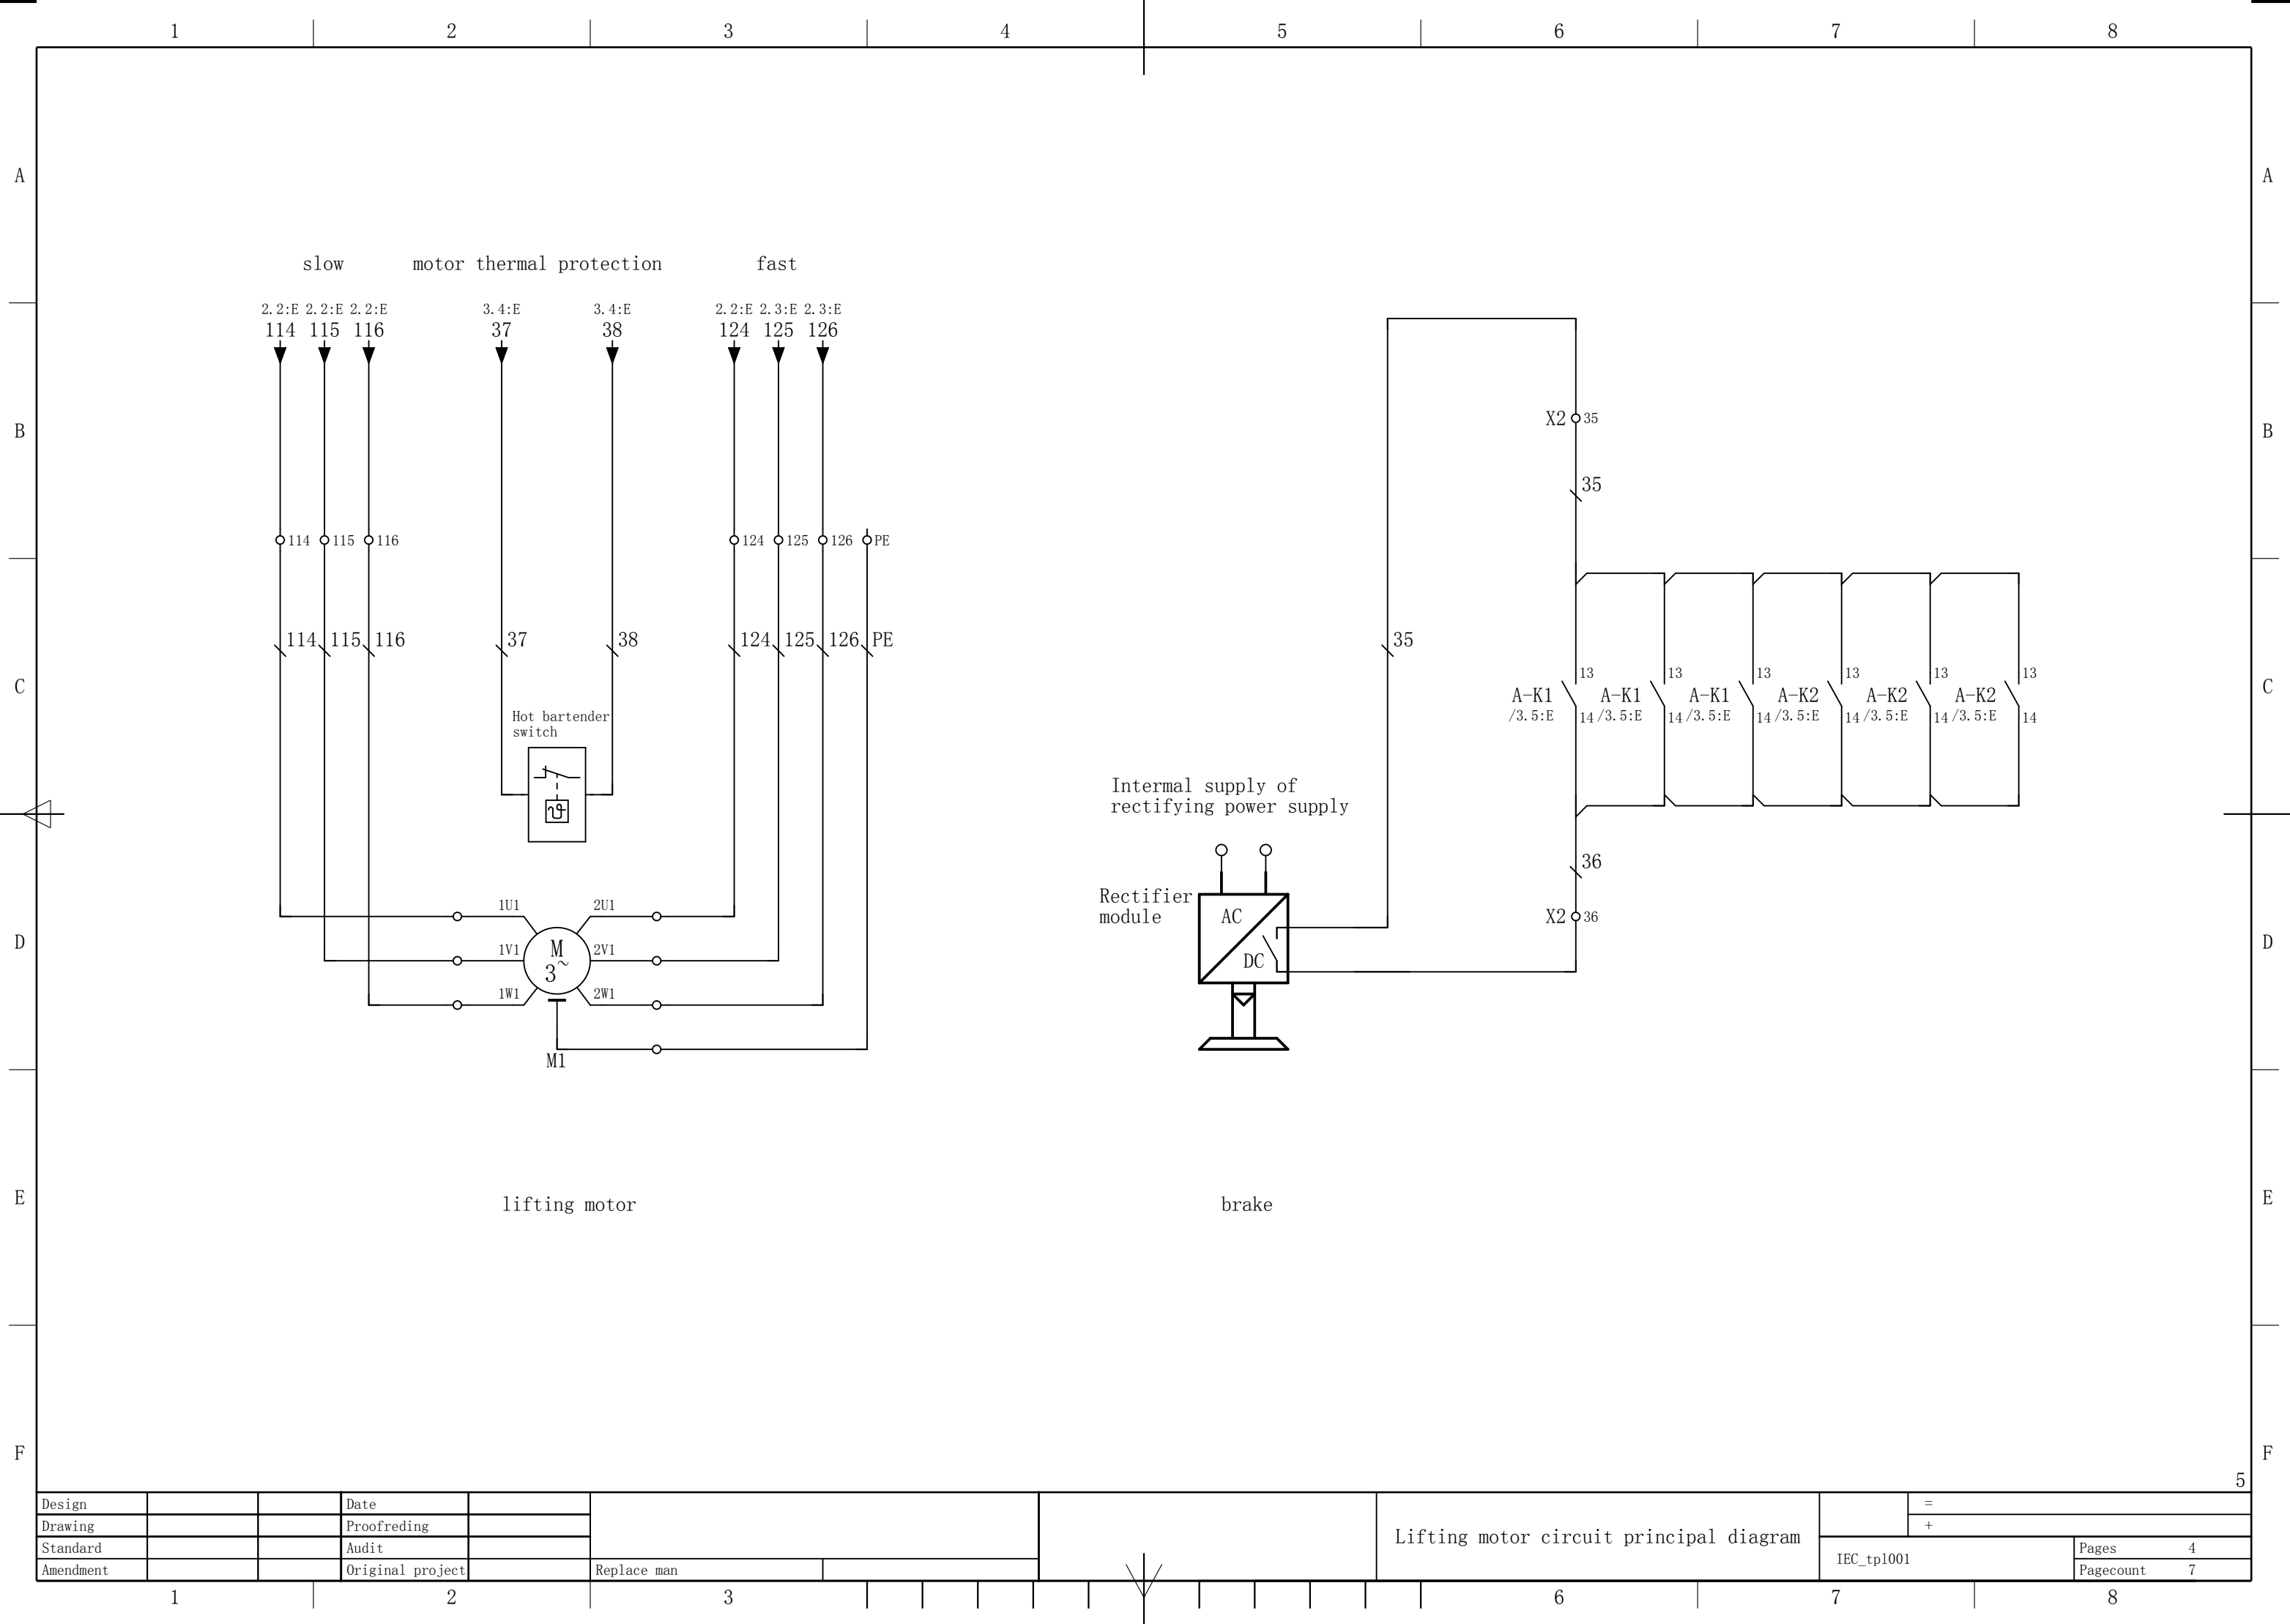

Specifications: 20T 6M

Design			Date					Outline		=
Drawing			Proofreding							+
Standard			Audit							
Amendment			Original project		Replace man		\\		IEC_tp1001	Pages 1 Pagecount 7

Comment: Not line diameter1.5mm²
The main circuit with black lines,
control circuit with red lines.

Design			Date		Main circuit principal diagram			=	
Drawing			Proofreading					+	
Standard			Audit						
Amendment			Original project	Replace man					
								IEC_tp1001	Pages 2
									Pagecount 7

Design			Date		Lifting motor circuit principal diagram			=	
Drawing			Proofreading					+	
Standard			Audit						
Amendment			Original project	Replace man				IEC_tp1001	Pages 4
								Pagecount	7
